Word from the Director

The stars were definitely shining on September 24! The 20-Year Celebration Gala, Friends of the Heart, was one of the most beautiful Gala's we have ever hosted! WOW!

From the shades of green cocktail attire to the delicious desserts, to the incredible speakers, to the 8 Shining Star families who have participated at CHM for 20 years, the night could not have been more perfect! As we prepared for this night, all glory and honor was to be given to God. I have no doubt that God was smiling on the Pinnacle Center that night!

If you were in the audience that night, thank YOU for coming! If you have been praying, walking alongside us, and supporting this ministry for the last 20 years, thank YOU! As I said that night, "Every family that we serve, every program that we offer, everything that we do, is because of YOU and your generosity! Thank you!"

Thank you for helping us
Make Friends. Have Fun. Love Jesus!

 Donna

X Passing the baton!

In the June newsletter, I announced my upcoming retirement! I will be officially passing the baton on January 1, 2027. After much prayer, discernment and thoughtful discussion, the Board has selected Hugh Randle to carry the baton going forward!

Tyler Mesman, Board President, announces Hugh as our next Executive Director!

Hugh is not a stranger to Compassionate Heart. He is a parent to an adult son with autism. For the last four years, Hugh has been the pastor at the Foundry Church, Holland campus. He was the owner of Amigo Mobility Center in Grand Rapids, now based in Bridgeport, MI. *Fun fact: He is a DJ! He DJ's all our dances and events! The participants and many parents know him and love him!

Many people asked, "Why green?" Emerald green is the anniversary color for 20 years!
 So we decided to have fun with it!

We honored the 8 Shining Star families for their 20 Years of Participation! In honor and memory, The Amy Hoekstra family, The Ashley Hackney Family, The Kevin VanderVeen Family, The Leslie Feenstra Family, The Danielle Salas Family, The Traci Karsies Family, The Chris Doornbos Family and the Jacob Bunce Family...☆
